

Youth Exchange Student Travel Authorization -Rotary District 5040 Youth Exchange Program

Students must adhere to the travel rules of Rotary District 5040 or risk being sent home! Travel is a privilege, not a right. Travel is permitted only if organized and supervised by Rotary, your host family or your school, church, sport team, or recognized community group.

Complete this form only for travel outside of the Province and outside of Canada. Students, should you request to travel outside the country, including across the border trips, either short day trips or longer, your natural parents must also sign this form and give their permission to do so. You must have the proper visa to allow you entrance and return for the country that you are visiting.
